**Hague Convention -Weilharter**

Dear Ms Miklau

We can inform you that it is not possible for the court to question Marion Weilharter by a video conference. In connection to this we would like to remind you that Marion Weilharter is risking to be arrested when entering Denmark, and we find that it is her own best interest to participate and cooperate in the cases by Danish authorities.

The setting of the court date is still awaiting the action of Marion Weilharter's chosen lawyer.

With Regards
